### Dear Parents/Carers,

We're nearly there and I am sure ready for the summer break! We are so disappointed that some of our bubbles are having to isolate during our last few days but will look forward to seeing everyone in September.

**End of Restrictions**—In line with the guidance for schools released recently, our current routines for drop offs and picks ups will remain the same until the end of this term. We will share with you our revised plans for September before we break up. We do intend to continue using the path on the field for some year groups so that we can avoid the congestion that was always a concern pre-Covid, with so many people using our side gate for access on and off the site.

**Transition**—You should have received confirmation of your child's new teachers today—the children have also been told and they know they will be visiting their new classrooms and meeting staff during their transition visits next week. If your child is isolating, we will be arranging virtual meetings/recordings via TEAMS, so please look out for the links. Thank you.

**Confirmed cases**—Please inform school via [pupilinfo@highcliffe.rac.sch.uk](mailto:pupilinfo@highcliffe.rac.sch.uk) if your child tests positive. From Monday 19th of July, schools will no longer carry out contact tracing—this will now be undertaken by NHS Track and Trace. Please refer to the attached letter for further information and do not hesitate to contact us if you require details about your child's close contacts if they are too young to tell you themselves.

### Merit Assembly

If your child has been chosen to receive this term's Merit Award, you should have had an email notification. A reminder that a TEAMS invite will be sent to your child's email address just before the assembly on Tuesday morning (it will start at 9.10). We will look forward to seeing you there!

### Reports

You should have received your reports via email this week. A reminder to reply directly if you would like to discuss the contents of your child's report with their teacher. Thank you.
